**Qlife has recruited Kasper Damgaard Rousøe as new Chief Financial Officer (CFO) for Qlife Holding AB and subsidiary Qlife Aps. Kasper comes most recently from Phase One A/S and will begin his new role no later than 1 March 2022. Current CFO in Qlife Aps Lars Bangsgaard has decided to retire from his position, and part-time CFO in Qlife Holding AB Henrik Ljung will end his assignment at the end of Q1 2022.**

Kasper Rousøe has more than 20 years of experience from leading roles in the financial area, most recently from Phase One A/S. He has previously been CFO and Finance Director in Bauer Media Group, Mono Solutions and Designit A/S, and has through his roles gained international experience from the software, hardware, and creative industries. Kasper hold a M. Sc. in Economics from Copenhagen University and an EMBA from Lausanne in Switzerland.

"I am very happy to welcome Kasper to Qlife. In addition to solid expertise in finance, he has broad knowledge of manufacturing, procurement and IT products and processes. Qlife is in a very expansive phase, and Kasper will be an important part of the company's group management and I look forward to working with him" says Qlife's CEO Thomas Warthoe.

"It feels incredibly exciting to be a part of Qlife and it's mission to revolutionize the market for clinical biomarker and virus tests with it's game-changing potential. I look forward to working with Qlife's team in realising the commercial potential and growth opportunities" says Kasper Rousøe.

Lars Bangsgaard is part of the original founder's group and will remain a major share owner in Qlife (7.8%).
